MEMO TO: Liquor and Gambling Control Committee
FROM: City Clerk's Office
RE: Agenda for Wednesday, January 27, 2016 – No earlier than 4:30 pm

1. Gaming Site Authorization – Mule Deer Foundation, West Dakota Chapter – Holiday Inn

The City has received a request from the Mule Deer Foundation, West Dakota Chapter to conduct a raffle On March 5th and 6th, 2016 at the Holiday Inn (2200 Burdick Expy East)

It is recommended the Committee and Council approve the site authorization for the Mule Deer Foundation, West Dakota Chapter, to conduct a raffle at the Holiday Inn.

2. Airport Terminal Restaurant License – Trestle Tap House – Oakwells Commuter Rail, LLC.

The City has received a request from Oakwells Commuter Rail, LLC. Db a Trestle Tap House (305 Airport Road #221), for the Airport Terminal Restaurant License, effective February 2, 2016.

It is recommended the Committee and Council approve the request from Oakwells Commuter Rail, LLC. Db a Trestle Tap House (305 Airport Road #221), for the Airport Terminal Restaurant License, effective February 2, 2016, subject to receipt of all documentation and approval by the Police Chief, Fire Marshall and Building Official.

3. Airport Terminal Restaurant License Overlap

In the next several weeks the new Minot Airport Terminal will be transitioning to full operation. During this time period, events have been scheduled to include a public open house which would require Oakwells Commuter Rail food and alcohol service to be in operation as well. However, this transitional period will happen prior to the old Airport Terminal being decommissioned, including its food and alcohol service. This transitional period will require a short overlap in issuance of the Airport Terminal Restaurant Liquor License to assure a successful opening of the new terminal and continued full-service for patrons in the old terminal. The license overlap will be for a period of one month and will allow the Hanger Grill and Snack Shop to continue alcohol service in the old terminal, while the Trestle Tap House starts alcohol service in the new terminal.

It is recommended the Committee and Council approve the overlap of the Airport Terminal Restaurant License to allow the Hanger Grill and Snack Shop and Trestle Tap House to serve alcohol at the same time, for a period of one month.

4. Administrative Approvals

Pursuant to the Code of Ordinances, we are requesting Committee and Council ratification of the following administratively approved requests:
