The above motion by Alderman Withus, seconded by Alderman Berg and carried unanimously.

**3. The City Council deny the application for hotel-motel retail liquor and beer license renewal for Shine Time, LLC dba SideKick’s Lounge.**

\*\*\*\*\*

The above motion by Alderman Shomento, seconded by Alderman Sipma.

Alderman Hedberg requested the City Attorney explain a letter which was submitted to the Clerk’s office by Connors Law pertaining to the Shine Time, LLC license application.

The City Attorney stated, the letter requested the City remove Michael J. Tupa and Daniel L. Gelb from the liquor license application in question. She went on to explain, Michael Tupa was the signatory on the application on behalf of Shine Time, LLC and without his signature the committee must determine whether or not it is a valid application.

Upon questioning by Alderman Sipma, the City Attorney stated, the application requires a notarized signature and since the person who signed the application has been removed, it is up to the committee to make a decision.

Alderman Hedberg and Alderman Berg agreed, the application no longer has a signature, therefore it is not valid and cannot move forward.

Upon questioning by Alderman Hedberg, the Police Chief came forward to explain his recommendation for the license application assuming they did have a valid signature. He stated, after investigating the property, it was identified that the hotel does not have the required number of rooms, and the restaurant does not have the hours of operation required by City ordinance. He therefore, would recommend denial of the hotel-motel license renewal for SideKick's.

Whereupon a vote was taken on the above motion by Alderman Shomento, seconded by Alderman Sipma and carried unanimously.

There being no further business, the Liquor and Gambling Control Committee meeting was adjourned at 4:50 pm.

Respectfully Submitted,  
Kelly Matalka,  
City Clerk
