Identify from the Development Plan the specific criteria used to approve the project

NOTE: The DCS reserves the right to reject a zone-approved project or to continue negotiating its approval. When a project is approved by the DCS, the local zone authority will be notified in writing.

If after a project is approved and the property changes hands or a replacement project is approved during the five year exemption period, the DCS does not need to approve the transfer or the replacement project. The zone authority, however, must notify the DCS of the change and provide the applicable information about the new homeowners, business, and/or investor tax would affect the exemption approved.

Once the project is completed, DCS must be informed by email, fax or letter of the exact date of completion, and project number before the final letter of approval can be issued.

On historical renovations/rehabilitations documentation from the Historical Society approving the final restorations must be submitted to DCS prior a final letter of approval can be issued.
