Re: Traffic Control Report for the week of May 31, 2020

3529 – Souris River Flood Plan (Phase MI-1)

PROJECT INFORMATION

Location:	N Broadway 4 th Avenue NW/NE	5 th Avenue NE 2 nd Street NE	3 rd Street NE
Road Closure:	5 th Avenue NE between 2 nd Street NE and 3 rd Street NE 5 th Avenue NE between 3 rd Street NE and 4 th Street NE 2 nd Street NE between 4 th Avenue NE and 5 th Avenue NE is closed to thru traffic		
Pedestrian Walkway Closure:	Park Construction closed, to through traffic, two pedestrian bridges in Minot to maintain appropriate safety during the Phase MI-1 Fourth Avenue flood protection project. These bridges are the Anne Street Bridge (the bigger, wooden bridge that goes over the river and the railroad tracks) and the Victoria Pedestrian Bridge (the shorter bridge that was put back after being damaged during the 2011 flood). Pedestrians have two open walkways in and around this construction zone – the 3rd Street Bridge and the Broadway Bridge. The pedestrian walkway underneath the railroad tracks just south of 4th Avenue NE, near the 3rd Street bridge underpass, is currently closed.		
Detour Information:	Access to the neighborhood on the north side of 4th Avenue NW/NE will be available from 6th Avenue NW/NE.		
Project Start Date:	March 2018	Project End Date:	Spring 2021
Contractor:	Park Construction	Contact Information:	Brandon Larson, 701-795-6994
